

Florida Traffic Safety Grant Program (FL Law Enforcement Organizations)

AAA has supported law enforcement for over a hundred years through valuable partnerships that have made our roadways safer. With that ongoing effort in mind, AAA - The Auto Club Group has established a grant program that provides law enforcement organizations with an opportunity to submit requests for monetary assistance with traffic safety programs and equipment. First consideration will be given to programs or equipment that impact **Impaired Driving, Distracted Driving, Teen Driver Safety** or **Senior Mobility**. Some examples of programs and equipment that AAA will consider for this grant include, but are not limited to:

- Drug Recognition Expert or ARIDE Training
- Impaired Driving Detection Devices
- SFST Training or Equipment
- Extrication equipment and/or accessories
- Heavy lift bags
- Radar speed trailers or radar speed signs
- Roll-over simulators and/or accessories
- School Programs
- Traffic Incident Management equipment
- Presentation equipment such as projectors, screens, lamps, microphones, etc.

Grants cannot be used to fund staff and must go to a tax-exempt organization. For information on AAA's Traffic Safety programs and resources, visit AAA.com/SafetyMatters.
