

SHARE THE ROAD....

Speeding and Aggressive Driving gets you nowhere fast!

When speeding your ability to focus on your surrounding becomes limited. In addition, distraction can greatly increase your risk of being involved in a crash. Your safety is important, **Be Safe, Be Seen and Arrive Alive!**

- Keep your eyes on the road.
- Follow posted speed limits.
- Do not tailgate – maintain a safe stopping distance.
- Slowdown in Work Zones.
- If you encounter an aggressive driver, don't make eye contact and safely maneuver away from them.
- Speed can impact your ability to judge how fast motorcycles are moving. If you can't judge, don't budge!
