

**D7 LOCAL AGENCY**

**TRAFFIC SAFETY ACADEMY**

2014

### What Is It?

The *D7 Local Agency Traffic Safety Academy* is a free **webinar series focused on sharing knowledge about traffic safety** - discussing new and ongoing safety programs, explaining available funding sources, presenting local best practices, learning about new safety treatments and technologies, and discussing project delivery processes. These webinars are part of District Seven's Local Agency Safety Program to support and enhance local agency safety programs in Florida.

### When is it?

Webinars will be held **on a Wednesday** at 10:00 AM starting on **March 19, 2014 through December 10, 2014**. Please check the dates for each webinar. Each session will discuss a new topic and will vary in length from 1 to 2 hours.

### Who is invited?

Local agencies and partners, engineers, public works professionals, planners, consultants and anyone with an interest in traffic safety.
