Administering of HSIP funds

- FDOT receives a total of \$118 M each fiscal year.
- Each of the 7 districts allocated a portion of total.
- Administering of safety funds varies across districts.
- In-house safety projects only.
- In-house projects and local agency projects via Local Agency program.
- Equipment purchase, design-build push-button.

Administering of HSIP funds

- District 7 delivers funds directly to locals.
- Formed safety team comprised of FDOT personnel, FHWA personnel and safety consultants to assist and facilitate process.
- Open dialogue with local agency staff throughout the process.

Administering of HSIP funds

- Safety team members serve as Safety Ambassadors to each local agency – assist locals in safety project development and justification for safety funding.

Guidebook for Local Agencies

- Developed the Local Agency Safety Funding Guide for Off-System Roadways
 - Provides locals with detailed explanation of HSIP process and guides them through application process.
